## CONTINUED COACHING ASSISTANCE

**Make the most of your Institute investment** by registering for Continued Coaching Assistance. Continued Coaching Assistance **extends the interactive Institute experience throughout the school year**—exceeding the average professional development video series or independent online instruction.

Continued Coaching Assistance is a **\$299 per person supplemental service for Institute attendees**. Registrants receive coaching services that include professional learning groups, webinars with Institute instructors, and access to other online resources. The goal is to give participants instant access to help that's designed to **make the school year easier and more productive**.

### REGISTRATION

Register for the appropriate Continued Coaching Assistance option(s) on your Institute Registration Form. *(Not required for Institute workshop attendance.)* Purchase of this service is also available after the Institute. Specific Institute Registration Forms can be downloaded from [www.bettereducator.com](http://www.bettereducator.com).

### COMPONENTS

#### On-site Face-to-Face Instruction

Instruction begins at the Institute. Attend the Master Coaches Clinic, Differentiated Instruction, or Positive Behavior Support workshops and begin learning strategies and developing action plans for the start of the school year. *(Institute workshop attendance is required for Continued Coaching Assistance registration.)*

#### Webinars with Institute Instructors

Continue your interaction with the Institute presenters and advance your skills by participating in four live webinars scheduled throughout the school year. Instructors will continue the training that began at the Institute.

#### Professional Learning Group

A Professional Learning Group (PLG) consists of 10 to 15 individuals who attended the same Institute workshop. In addition to webinar coaching from your Institute Instructor, your tight-knit PLG offers instant access to support and the opportunity for peer coaching. Participate in discussions, share trials and tribulations, ask and offer advice, and post helpful tools for your group.
